Travellers are given special attention at the VIP Terminal at Vienna Airport. Guests enjoy drinks and snacks while waiting for their departures in a relaxed and undisturbed manner, spending time in exclusive salons featuring a living room atmosphere. Airport employees will take care of check-in and baggage drop-off before the passengers are individually brought to the aircraft in a VIP limousine - comfortably and without having to wait for boarding. The traveller can be the very first or last to enter the aircraft, in line with his or her express wishes. Security and border controls are also carried out in the separate VIP building. During the person's journey, a large parking lot located directly by the VIP Terminal is available for private cars.

A special reduced price of € 150 per person will be charged for all of these services (as stipulated in the Gold Package) up until the end of September 2020. The VIP service in an exclusive atmosphere is available to all travellers regardless of their airline or booking class. All relevant details and booking details can be found www.viennaairport.com/vip. The VIP Terminal is open every day from 6 a.m. until 10:30 p.m., and also on an around the clock basis upon request. Furthermore, there is also the possibility to take a coronavirus PCR test directly in the VIP Terminal.
