

Vienna Airport's Visitors Terrace opens for the new season

Spring is approaching and the Visitors Terrace at Vienna Airport is ready for the new season: starting this Saturday, 15 March 2014, at 10.00 am, the Visitors Terrace on the roof of the Check-in 3 Terminal will reopen for guests. This occasion will be marked by a special programme that includes free entrance for all visitors on the opening day as well as reduced rates for the VISITAIR Tour for families.

This year the Visitors Terrace will be open from 10.00 am to 8.00 pm daily from 15 March to 15 November. Over a length of 250 metres and nearly 1,350 m², visitors can experience a wide-ranging view of the airport apron and see airport operations as they happen. The Visitors Terrace Aircraft offers a great view of departures and landings, the work of the ground handling crews and much more.

Information on the Visitors Terrace, the VISITAIR tours and the VISITAIR Center can be found in the Internet under www.viennaairport.com/visitair.
