

## **Airport City Vienna is Growing: Trendy Lifestyle Hotel MOXY Opens First Location in Austria**

**The MOXY Vienna Airport was ceremoniously opened yesterday, Wednesday March 29, 2017, by Günther Ofner, Member of the Management Board of Flughafen Wien AG, Petra Bierwirth, Managing Director of B&K Hotelmanagement GmbH, and Michael Dorfer, MOXY Captain, within the context of the hotel press opening. The MOXY Vienna Airport is the first Austrian-wide hotel of the young Marriott lifestyle brand and its largest in the world to date. Accordingly, the Airport City Vienna has a new partner at the business location, expanding its offering for travellers.**

“Vienna Airport is taking a further step towards enhancing the attractiveness of the Airport City through the expansion of the hotel offering and the related increase in overnight accommodations”, says Günther Ofner, Member of the Management Board of Flughafen Wien AG, pleased at the opening of the MOXY Vienna Airport. “The fact that it is the very first MOXY hotel in Austria further upgrades the airport hub.”

“We are very proud to open the MOXY Vienna Airport and its 405 rooms, which is the largest hotel to date of the MOXY brand launched by the Marriott hotel chain”, explains Petra Bierwirth, Managing Director of Bierwirth & Kluth Management GmbH, which operates the MOXY Vienna Airport.

“MOXY is pure hotel fun, vibrant and in tune with the times. I am pleased that I and my crew are able to offer guests such a fine time with us in our hotel. Our goal is that hotel guests and visitors feel at home here”, states MOXY Captain Michael Dorfer.

### **MOXY Vienna Airport**

The first hotel in Austria of the trendy Marriott lifestyle brand opened its doors at the Airport City Vienna. The central location directly behind Office Park 1 makes it possible to conveniently reach airport terminals by using the passenger tunnel. On an area of 14,000 m<sup>2</sup>, the MOXY Vienna Airport conveys a joy in living, lifestyle and young freshness. In the lounge featuring an *urban-industrial* design, guests will have small meals and drinks available to them on a 24/7 basis. Facilities include a comfortable food and beverage area, a library, two meeting rooms and a fitness room. The 405 guest rooms have modern furnishings and also boasts extremely fast WLAN, USB connections and a 42-inch flat-screen TV. The Marriott box spring beds ensure restful sleep. The MOXY staff consisting of about 50 employees focus on ensuring the well-being of the hotel guests. The MOXY Vienna Airport hotel is operated by Bierwirth & Kluth Management GmbH.

### **Airport City Vienna: Multifunctional location**

The transformation of Vienna Airport as a real estate location to a multifunctional airport city is a key component of the airport’s business strategy. Vienna Airport offers ideal conditions as a location for companies to base their business operations, such as commercial space of more than 140,000 m<sup>2</sup>, office park facilities with approx. 110,000 m<sup>2</sup> of office and conferencing space in the future (including Office Park 4), various local shops and service facilities such as supermarkets, a pharmacy, fitness studio, a 24/7 postal partner office and much more. Moreover, Vienna Airport has established optimal transport and traffic connections. The Airport City Vienna is continuously growing, and is expanding its service offering for passengers with the opening of the MOXY Vienna Airport hotel.
