Eligibility to participate in the Annual General Meeting and to exercise voting rights and other shareholder rights that apply to the Annual General Meeting are based on the shareholding or, if interim certificates have been issued, on listing in the register of shareholders at the **end of 19 April 2010 (date for proof of shareholding)**.

A person is only eligible to participate in the Annual General Meeting, if he/she is a shareholder on this date and proves this status to the company.
