# **Proposal for the appropriation of the net profit**

The Management Board and the Supervisory Board recommend to use the balance sheet profit of EUR 94,922,284.84 reported in the adopted annual financial statements as at December 31, 2019 as follows:

Due to the legal ban on distributions by companies claiming benefits from the government's emergency fund in connection with the Covid-19 pandemic the balance sheet profit of the financial year 2019 will not be distributed and will entirely be carried forward.
